

## DECLARATION

According to EU Regulation 528/2012  
in terms of market availability and use of biocidal products.

The manufacturer:

**BASE PROTECTION SRL Unipersonale**

**Via dell'Unione Europea, 61**

**76121 - Barletta (BT)**

### DECLARES THAT:

**all SCAN&FIT insoles** are treated with the biocides:

*Reaction mass of silver chloride and titanium dioxide*

*Silver fiber*

Those substances have been included in the review program since 2000 and are included in list 1 of the active substances for the treated articles referred to in Art 94 of BPR 528/2012, therefore notwithstanding art. 58 and without prejudice to article 89, can be placed on the European market.

The biocidal property carried out by the substances counteracts the deposit of microorganisms on the surface of the materials, inhibiting or preventing the development of unpleasant odors.
